Institution and Location	Degree (if applicable)	Year	Field of Study

Primary Research Supervisor and Co-Supervisor (if applicable): please provide additional information according to all headings, A through E.

A **maximum of four pages** (excluding this information cover page) may be submitted for each supervisor.

- A. Peer-Reviewed Publications (not required for non-academic sectors).** List published or accepted publications only. DO NOT list those that are *in preparation* or *submitted*. List only the most recent and/or relevant publications (last 5 years). **Please indicate (i.e. underline, bold, or asterisk) any authors that were/are your trainees.**
- B. Other Outputs Relative to the Training Environment Activities.** This may include government reports, clinical practice guidelines, patents, knowledge exchange activities, etc.
- C. List all currently active and/or pending operating research grants only.** DO NOT list equipment-related or research allowances associated with studentship or fellowship awards. Please specify if you are the principal or co-investigator, and identify only the portion of the funding **you receive**.
- D. Current trainees and/or staff, and indicate level of training and expected completion dates.** For non-academic sectors, please list current staff that you manage and give a short description of their roles.
- E. Relevant honours, awards, recognitions related to research, mentoring and/or teaching.**
