PROJECT TITLE	TEAM	AWARD	FUNDING SOURCE	PI	INSTITUTION
Development and Validation of AI-Based Methods for Temporal Pattern Learning in Repeated Electronic Health Record Data	DRS	$761,176	CIHR Project Grant	Dr. Ning Li Dr. Hude Quan Dr. Pietro Ravani	University of Alberta
Dual Antiplatelet Therapy in Acute Ischemic Stroke Following Thrombectomy (PRIME)	DRS	$730,576	CIHR Project Grant	Dr. Mahesh Kate Dr. Brian Buck Dr. Bijoy Menon	University of Calgary
Understanding the Physiological Effects of Wearable Vagal Neuromodulation in Postural Orthostatic Tachycardia Syndrome	DRS	$857,565	CIHR	Dr. Satish Raj Dr. Partha Chakraborty	University of Calgary
Strengthening Primary Care Detection and Referral Pathways for Hemoglobinopathies in Pregnancy	DRS	$99,924	MSI Foundation	Dr. Olabisi Amodu	University of Alberta
Identification of Progressive Multiple Sclerosis Disease Determinants in Alberta	DRS	$100,000	MS Centre Grant	—	—
LabPartners-Nexus: Embedding patient engagement in preclinical research across Canada's Strategy for Patient-Oriented Research (SPOR) Support units	PE	$100,000	CIHR Project Grant: Priority Announcement: Patient-Oriented Research	Drs. Dean Fergusson, Manoj Lalu, Stuart Nicholls, and Dawn Richards	Ottawa Hospital Research Institute
Dual Antiplatelet Therapy in Acute Ischemic Stroke Following Thrombectomy and/or Intravenous Thrombolysis (PRIME): A Randomized Pilot Study	OP	$730,576	CIHR Project Grant	Dr. Kate Mahesh	University of Alberta
Neurological Complications of Cancer Immunotherapy: Identifying Prevalence, Healthcare Utilization Costs, Risk Factors, and Metabolic Markers	OP	$49,899	MS Canada	Dr. Jennifer McCombe	University of Alberta
MS and systemic autoimmunity: exploring the risk of systemic autoimmunity among people with MS treated with B-cell therapy	OP	$49,975	MS Canada	Dr. Jennifer McCombe	University of Alberta
Transnational healthcare practices among immigrants in Canada: Nature, scope, drivers, and implications	OP	$1,032,750	CIHR Project Grant	Dr. Sepali Guruge	Toronto Metropolitan University
MS and diversity: clinical and imaging variation in disease burden among African, Caribbean, and Black persons and White persons in Alberta	OP	$49,875	MS Canada	Dr. Nabeela Nathoo	University of Alberta
Via Health: A cluster randomized trial of conversational AI for cardiovascular case finding	OP	$415,000	Alberta Innovates	Dr. Yazid N. Al Hamarneh	University of Alberta
PIONEER – Power Training Implementation for Optimizing Nation Engagement in Evidence-based Rehabilitation	LHS	$115,000	Kids Brain Health Network Innovation Grant	Dr. Lesley Pritchard	University of Alberta
Community–Academic Partnerships for Equitable Learning Health Systems: A Co-Production Approach	LHS	$130,000	CIHR Catalyst Grant	Dr. Kirsten Fiest	University of Calgary
PRIME – Primary Care Reimagined through Impact, Mobilization & Engagement Rapid Response	LHS	$3,000,000	CIHR: Healthcare Excellence Canada Partnership	Dr. Sabrina Wong, et al. with Dr. Stephanie Montesanti as Lead for Alberta	University of British Columbia
VITAL	DRS	$30,000,000 (ISED) / $24,500,000 (CFI)*	Grant ISED and CFI	Dr. Fahad Razak Dr. Amol Verma with Drs. Neesh Pannu, Braden Manns, and Jeff Bakal as Leads for Alberta	Unity Health Toronto (St. Michael's Hospital) / University of Toronto
TOTAL		**$62,722,316**
